## **FOREWORD**

*To learn to live honorably and unselfishly in a community and to share in the responsibility of the government is a part of the broader education for which we come to college. The Student Government Association asks of all students their sincere cooperation in our efforts to uphold the ideals of LaGrange College.*

## **ALMA MATER**

*Hail to thee, our Alma Mater,  
Guardian of our days;  
For thy spirit never failing  
We will sing thy praise,  
High aloft we hold thy banner  
Ever loyal, true;  
And to thee, our Alma Mater,  
We our pledge renew.*

*In thy mighty groves of learning,  
Wisdom's paths we've sought.  
High upon thy lofty hilltop  
Visitors have been wrought.  
From our hearts we sing the chorus  
Time shall never change,  
Hail to thee, our Alma Mater,  
Hail to thee, LaGrange.*

## THE LAGRANGE COLLEGE STUDENT'S CREED

Life is mine to Live. That I may cherish it  
And right royally meet its responsibilities,  
I would lay aside that which is  
Narrow, selfish, ignoble, and unkind;  
The false, superficial, the dishonest  
I would shun in thought, word and deed.  
Rather may I cultivate in my college life  
Those traits and ideals that will fit me  
To weave dreams into realities, and impressions into  
character,  
To meet bravely the hard tasks of life,  
To bring joy to those who falter in their tasks.  
I would strive to judge more kindly,  
Trust more fully, and love more deeply,  
That my life may reflect His goodness,  
And my soul may grow on the knowledge  
Of Him, whom to know is life eternal.

DR. WAIGHTS G. HENRY, JR.  
President

## *To The New Students at LaGrange College*

We welcome you to our campus and into our student body. We invite you to an orientation of a vital and serious nature.

From the very start LaGrange College students are expected to take seriously their work in the classrooms, laboratories, studios and library. This is the major purpose for which students attend college.

Along with the intellectual quest we invite you to an examination of your inner self and the achievement of ultimate satisfactions that comes only with a knowledge of and dedication to God.

One does not live alone. Relationships to other people call for an adaption to their needs and wishes while at the same time we seek to develop an identity of our own. One is best liked when he likes other people.

The administration and faculty are interested in serving the students in any manner that contributes to the development of cultured Christian men and women.

Waights G. Henry, Jr.

John R. Love  
Dean of Students

I am glad you have chosen LaGrange College to further your educational goals. I think you have chosen wisely, and I joyously anticipate meeting each of you and knowing you personally.

Not only have you selected LaGrange College — LaGrange College has also selected you, because we believe that you are the type of student who will be representative of the ideals that this institution stands for.

Education should provide opportunities for individuals to grow and develop their talent, ability, and understanding. A college education not only gives you the tools that enable you to earn your own living but also teaches you how to live. I feel that LaGrange College is qualified to assist you in all of your worthy goals.

If I can ever be of any personal assistance, please let me know.

## PURPOSE OF THE STUDENT GOVERNMENT

Student Government at LaGrange College is designed to help guide students in their campus life. In cooperation with the administration, the Student Government directs all matters pertaining to the student affairs and gives to each student the opportunity to live as an honorable and unselfish citizen in a community governed by him and his fellow students. Every student has his own personal responsibility as a member of this campus democracy. The purpose of each student on the campus is explicitly stated in the Student's Creed, therefore, it is well for all students to become familiar with the creed in order to make it their guide for campus relations. By living up to the ideals of LaGrange College, Student Government will continue to be a government of the students, by the students, and for the students.

## **CUSTOMS AND TRADITIONS**

When you come to LaGrange, you not only enjoy the customs handed down through the years, but you have a share in adding to the traditions of your Alma Mater.

During the first month of orientation various organizations entertain the new students in various ways:

The Junior Class honors their brother-sister class, the Freshman Class, with a party at the beginning of school.

Homecoming is a week-end when the alumni return to the college. It begins with Stunt-Night Friday night followed by various activities for the alumni Saturday and climaxed by the Homecoming Dance Saturday night.

The local sororities and fraternities provide social activities for the students. Bids are sent out at a time designated by the Panhellenic Council. Every student gets at least one bid.

The sophomores entertain their brother-sister class, the seniors, in the spring.

The Freshman and Junior and Sophomore and Senior classes have a brother-sister relationship. The Juniors reveal the names of their Little Brothers and Little Sisters at a party early in the fall.

The Seniors, Juniors and underclassmen sing to each

other on the Quadrangle on Friday night before Final Exams begin. The singing is followed by a Communion Service.

### **HINTS TO THE FRESHMEN**

Be wise—Learn your handbook as soon as you get to College!

If you don't know, ask those who do know. Curious freshmen make wise sophomores.

You are expected to attend the church of your choice every Sunday.

Bad work for the first quarter may handicap you through the whole year.

It is good taste to freshen up for dinner and to wear appropriate street clothes in town.

Pay all dues on time.

Remember that you reflect your home. Also, your good name and the good name of your college are represented by your actions.

Honor is too dear to be compromised for popularity, or the fear of being pleasant.

Chronic borrowers do not make good friends.

You must furnish your own broom, mop, dust pan, iron and ironing board, pillow and linens.

School supplies and miscellaneous items may be bought in the campus bookstore.

Class spirit makes a college spirit!
